

St. Colman's College Ski -Trip 2018

The Board of Governors has given permission to SkiBound, a fully bonded travel company to organise a ski-trip from the College during the next academic year. Parents will enter into a contract with the company, not the school (although we will handle the collection of money on the company's behalf), but discipline and such matters will remain the right and responsibility of the school.

SkiBound this year have offered the school the excellent French Ski resort – **Les Menuires**. This package will include return flights from Belfast, seven nights Full Board, ski lift passes, six days ski instruction for 5 hours, the use of all necessary equipment and comprehensive insurance including Medical Insurance. Extras included in this price: Ski Loss/Breakage Insurance & Piste Closure Insurance and Airport Transfers. Arrangements will be made at a later date for the hire or purchase of ski clothing.

- ✚ Students do not have to be experienced skiers – full ski instructions will be given to cater for all levels ranging from beginner/novice to experienced skier.
- ✚ **There are a limited number of places for this trip, unfortunately some students may not get a place this time.** In the interests of Health and Safety the school reserves the right not to accept a booking from a student whose conduct record is not satisfactory and a booking may be subsequently cancelled as a result of **poor conduct**.
- ✚ It is the responsibility of all students, to ensure they inform their subject teachers prior to departure and make arrangements for work to be completed or caught up (Coursework/Controlled Assessment). Whilst we value the ski-trip experience it must not be at the expense of the student's academic progress.
- ✚ Each Ski party member will be under the supervision of ski school instructors throughout the week.
- ✚ All ski party members will require their own Passport and European Health Insurance Card.
- ✚ ***Deposits will not be taken until your son has been allocated a place.**
