***Choices are subject to:**

- acceptance to follow A-level studies is in accordance with the Sixth Form Admissions Criteria (overleaf).
- A subject will only be offered if the numbers are sufficient to form a class.
- The minimum requirement for students studying a subject at AS/A2 level is a grade 'B' in that subject at GCSE. 'AA' grades are expected in Double Award Science to study a Science subject at A-Level.

ADMISSIONS POLICY FOR SIXTH FORM

The following criteria will be applied to applicants who wish to study AS/A2 in St Colman's College.

As a Catholic Grammar School, St Colman's College aims to ensure that every individual pupil will realise his full potential in spiritual, moral, social and academic terms. While it is assumed that students who enrol in St Colman's in Y8 – Y12 will remain to study A Levels, entry into Sixth Form for existing St Colman's students is conditional on:

- A good academic record of 7+ A* - C at GCSE including English and Mathematics.
- A good behaviour and attendance record.
- A very good level of performance in the subjects or curriculum areas that he wishes to study in Sixth Form, normally a B grade or better.
- Attending a meeting on results day with a member of the SLT to confirm subject choices.

These conditions reflect that which would have been expected from a St Colman's student throughout his education at the College. If a student's achievements do not meet the conditions listed above but he wishes to apply to return to the College to study A Levels, he will have to attend an interview with the Principal and/or Vice-Principal for his individual case to be considered.

Progression from AS studies to A2 studies is also conditional on a satisfactory level of achievement, normally 3+ C grades or equivalent, application, behaviour and attendance at AS Level.

PLEASE NOTE

GCSE results will be available at the College from 9.00am on Thursday 24th August 2017.

A-Level subject choice meetings will take place from 9.00am on that day with members of the Senior Leadership Team.
