Adopted by Board of Governors on 09/08/2021

Issued to staff on 10/08/2021 by email

Published to the School Website on 10/08/2021

Responsible: Mr Goss Examinations Officer/SLT and Head of Centre

1. Statement of Intent

The purpose of this policy is:

- to provide an overview of the Post-Results Service for Summer 2021 in the context of the guidance issued by CCEA, *CCEA Post-Results Service, Process for Heads of Centre – Summer 2021*;
- to ensure that all staff involved in the process know, understand and can carry out their roles effectively;
- to ensure students understand the Post-Results Service, the centre's role and the role of the awarding organisation (AO); and
- to provide relevant timelines to ensure the successful completion of internal processes so as not to hinder the progress of any student to the next phase of their education.

It is the responsibility of everyone involved in the Post-Results Service within **St Colman's College** to understand and implement this policy. The Centre Post-Results Service Policy is in line with *CCEA Post-Results Service, Process for Heads of Centre – Summer 2021*, and any further guidance provided by CCEA in relation to its Post-Results Service. Staff will familiarise themselves with all relevant documents.

2. Process Overview

There are two stages to the Post-Results Service; students must commence with Stage 1 which will be completed by **St Colman's College** and may then progress to Stage 2. The two stages are:

- **Stage 1** - A Centre Review, completed by **St Colman's College**
- **Stage 2** – An Appeal to CCEA Awarding Organisation, submitted by **St Colman's College** on behalf of a student and completed by CCEA.

Stage 1 – Centre Review conducted by St Colman's College

Any student, including private candidates, who was awarded a Centre Determined Grade by **St Colman's College** in summer 2021 is permitted to submit a request for a Centre Review. **St Colman's College** will complete a Centre Review for any student who makes a request. To help students decide whether to request a Centre Review, **St Colman's College** will provide students, voluntarily or on request, with access to:

- the centre CDG policy;
- the sources of evidence used to determine the CDG, including any marks and/or grades;
- details of any variations in evidence used; and
- details of any special circumstances that were considered in determining their grade.

All requests for a Centre Review must be made directly to **St Colman's College** using the form provided by CCEA. A student may request a Centre Review if they consider:

- 1) **St Colman's College** made an administrative error in relation to their grade; and/or
- 2) **St Colman's College** did not follow its procedure in arriving at the CDG as outlined in the CDG Policy.

If a student wishes to submit an appeal on the ground of academic judgement (unreasonableness), this will only be considered by CCEA at Stage 2. To enable a student to move to this stage, a Centre Review must first be completed by **St Colman's College** to ensure there have been no administrative errors and that procedures have been followed, or these have been addressed.

Students may submit a priority Centre Review if they have a place at a Higher Education Institution on hold.

Determining the Outcome of a Centre Review

All Centre Reviews will be completed using the form provided by CCEA and will be retained by **St Colman's College** electronically to be submitted should a student decide to request a Stage 2 Appeal to CCEA Awarding Organisation.

In order to determine the outcome of a Centre Review, the member of staff conducting the review will have access to the following records and will consider:

- a) the reason presented by the student for the review where this has been specified;
- b) the centre's approved policy and whether it was followed;
- c) the evidence which was used to determine the grade (although the reviewer will not be assessing or re-marking this evidence);
- d) any relevant assessment records that detail amendments to the range of evidence for the student and, where applicable, the steps taken to address any known mitigating circumstances or approved access arrangements;
- e) the records of the quality assurance processes and whether these were followed in determining the grade;
- f) the record of any pre-results discussions between the centre and student (for example, where a student has raised mitigating circumstances earlier in the process);
- g) relevant centre administration records; and
- h) any other documentation the decision-maker feels necessary to process the review.

In cases where an administrative or procedural error is identified, the member of staff completing the review will decide whether a grade change is required; this may require input from the Head of Department or Subject Teacher. **The outcome of any Centre Review completed by St Colman's College may be that the grade goes up, goes down or stays the same.**

Reporting the Outcome of a Centre Review

If a grade change is considered to be required, **St Colman's College** will submit an error correction request to CCEA as soon as possible.

St Colman's College will provide the student with an outcome letter using the template provided by CCEA. This will include:

- whether or not the review found a procedural failure or administrative error;
- if it did, what that error or failure was;

- the reason for the finding;
- whether there was a grade change and, if so, what the new grade is;
- a reason for the grade change, or lack of change; and
- information on the next steps if a student wishes to submit an appeal to CCEA.

A record of the outcome of all Centre Reviews will be retained to be submitted to CCEA should a student decide to request a Stage 2 Appeal to CCEA Awarding Organisation.

Stage 2 – Appeal to CCEA Awarding Organisation

Whether or not an administrative or procedural error was found through the Centre Review, and whether or not the grade changed as a result, all students, including private candidates, have the right to submit an Appeal to CCEA Awarding Organisation as the next stage in the process. Where requested by the student, **St Colman's College** will submit such appeals on the student's behalf and include the following as required:

- CCEA submission form completed by the student;
- Evidence used to determine the Centre Determined Grade; and
- Completed Candidate Assessment Record, or similar, for the student.

St Colman's College will submit any request for an Appeal to CCEA Awarding Organisation from a student upon the conclusion of a Centre Review. **St Colman's College** will have a process in place to communicate the outcome of the Appeal to CCEA Awarding Organisation to the student upon completion.
